5. ON-COURSE COMPETITION RULES

(a) Team Competition - Record your team's best two best Stableford scores for each hole (3 points for a birdie using your declared handicap, 2 points for handicap par etc.). The team with the highest points total for 18 holes will be this year's Team Competition winners - please remember, record the 2 best scores for each of the 18 holes . Add these scores together for your total team score - **please note : the 'yellow-ball' score may also count as one of the two best scores for each hole.**

(b) Yellow Ball Competition (ADVANCE WARNING - friendships have been ruined by this competition !)

Attempt to keep the team's yellow ball in play for all 18 holes - and score as many points as possible with it..!

Each team will be allocated an **individually numbered yellow ball** at Registration.

Each player will **play** the team's yellow ball **in turn**, on successive holes...Player 1 will play it on Hole 1, Player 2 on Hole 2, Player 3 on Hole 3, Player 4 on Hole 4..then Player 1 on Hole 5 etc. keeping the same order of play for successive holes (so it might be worth devising a strategy before you start to decide your team's order of play..!) Each player will use their own declared handicap to play the yellow ball.

Try to complete the round with your yellow ball - or at least carry on scoring 'til one of the team loses it..!

The team with the highest total Stableford points score with their numbered yellow ball is the winning team - even if they have not completed all 18 holes..!

Please note : The yellow-ball score may also count as one of the two best scores for each hole in the Team Competition

(c) Hole 2 'Nearest the pin' from the tee, individual (reminder on the tee)

(d) Hole 8 'Nearest the pin' in 2 shots, individual (reminder on the tee)

(e) Hole 10 The Lions' challenge individual (£1 entry, pay on the tee...all proceeds to charity)

(f) Hole 18 'Nearest the Lion' from the tee, individual (reminder on the tee)
